The Governor's Corner

We are now coming into season. We have tried to keep the prices down as low as possible due to the tough economic times. With two price increases from our vendors, it is more than we can bear. So with much regret we are going to have to pass on some of this increased cost. Rest assured we will try to keep them to a minimum. The new prices will go in effect on Monday, November 7th. We hope everyone will understand. This will not affect our entertainment, great food or great service. On a better note, we held our first Casino Night and it was a huge success.

We plan on doing it again in January or February. Remember, be proud to show your Moose card and clean your tables. God bless Mooseheart and Moosehaven.

**Your Governor,
Fritz Ackerman "2199"**

Currently we have enrolled 167 new members to date. We are nearing the halfway mark of achieving our quota for the year which is 433. Let's try to meet this goal before the holidays roll around. Sponsor a new member this month to be eligible for next month's drawing. See you around the lodge and keep up the good work.

Your account expires at the end of the month listed. Renew or signup for a cost of \$6.00 per person or \$9.00 per couple for one year.

Get your name in print for one whole year! Show your support by getting on the booster list.

52 Club

We started a new fund raising project in the Lodge. Here is how it works. There are 52 weeks in the year. We are asking those who want to participate to donate \$2.00 a week towards this project. We started this on May 22, 2011. At the end of the 52 weeks, May 19, 2012, everyone who has participated will have donated \$104.00 to their credit. Just fill out the envelope and hand it to any bartender. There is a board at the Lodge showing your name and the progress of the weeks as we go through the year. Half of the money collected will go towards a Lodge project, the other half will be chanced off at a drawing to be held at the annual Memorial Day picnic. Some people have already paid up front for the whole year. You can donate any amount throughout the year as it fits your budget. Very simple, it is a giant 50/50. The more people who participate, the more you could win. It is a win, win for the Lodge and all those who support this project. If you have any further questions just ask any officer of the lodge. Thanks and good luck.
